

**APPLICATION CHECKLIST FOR DREDGING PERMITS**

Materials required for all DREDGING permits are in the box below. Projects triggering other rules may require additional materials.

- WATER RESOURCES APPLICATION FORM (electronic signatures accepted)
- EXISTING CONDITIONS SITE PLAN AND CROSS SECTION
- PROPOSED SITE PLAN AND CROSS SECTION
- SPOIL CONTAINMENT AREA
- PROJECT SUMMARY
- \$10.00 APPLICATION FEE (Payable to MCWD by check or Visa/Mastercard)

PLEASE SEE CHECKLISTS BELOW TO ENSURE YOUR APPLICATION IS COMPLETE

EXISTING CONDITIONS SITE PLAN AND CROSS SECTION including:

- Property lines
- Delineation of the work area
- Existing upland contours
- Existing lake/stream bottom spot elevations or contours (max interval is 1 foot)
- Ordinary high water elevation (OHW)¹
- 100 year flood elevation²
- Cross section depicting depth and side slopes

PROPOSED SITE PLAN AND CROSS SECTION including:

- Property lines
- Delineation of the work area
- Existing upland contours
- Existing lake/stream bottom spot elevations or contours (max interval is 1 foot)
- Ordinary high water elevation (OHW)
- 100 year flood elevation
- Cross section depicting depth and side slopes
- Proposed in water erosion control measures

¹ The OHW for Lake Minnetonka is 929.4, for other lakes visit dnr.state.mn.us/lakefind. For streams the OHW is defined as the top of bank

² The 100 year flood elevation for Lake Minnetonka is 931.5. For other waterbodies, visit msc.fema.gov or contact permitting staff

SPOIL CONTAINMENT INFORMATION including:

- Location of temporary and permanent spoil stockpiling and disposal
- Proposed erosion and sediment control measures
- Restoration plan for onsite soil disposal

WRITTEN PROJECT SUMMARY including:

- Narrative explaining the goal of the project and how the proposed work will meet the goal
- Alternatives analysis including dock extensions, purchase, rent, or lease of other moorings
- Description of previous dredging known to have occurred including date and quantity
- Size and draft of watercraft moored at the site
- Proposed construction schedule
