**Summary:**

Minnesota Statutes 103B and D require the publication of various official notices in a newspaper of general circulation within the District. The District Bylaws require that the official newspaper for the District be designated at the first meeting of the year.

The only newspaper of general circulation throughout the entire District is the Star Tribune. While there are several local newspapers, these have local or limited circulation throughout the District. The MCWD will continue to use local newspapers and other forms of communication for various notices and news articles, but official notices will be published in the Star Tribune.
